

Whiteshell Chalets Access Statement

There are two vehicle entrances to Summercliffe Chalet Park. They are both on Caswell Road. Each of the Whiteshell Chalets has parking directly outside.

One of the chalets is not suitable for wheelchair access as there are steps from the parking space to the front door. However this chalet has been fitted with grab rails in the bathroom to aid someone who may have limited mobility but is not wheelchair bound

Two of the chalets have flat access to the front door but a ramp has be used to traverse the door threshold, in the case of someone who cannot get out of the wheel chair

The interiors are reasonably spacious but the bathrooms and bedrooms will not accommodate a wheelchair.

If you have mobility issues, we are very experienced with this, and will be able to advise on suitability or provide the necessary aids e.g. ramps to make your stay as comfortable as possible.
